

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claim 1. (Currently amended) A security screen adapted to be attached to a front seat of a vehicle ~~of the type, the seat~~ including a base, backrest, at least one rear surface, at least first and second frames and headrest, said security screen including:

a lower rear planar section and an adjoining upper rear planar section, the plane of the upper section being different to the lower section;

said lower rear section having two opposing side barriers extending forwardly from an upper end of said lower rear section;

said upper rear section having two opposing side barriers extending forwardly above said lower rear section side barriers; and

at least ~~[[one]]~~ first attachment means adapted to removable and securably attach said security screen to said seat.

Claim 2. (Currently amended) ~~[[A]]~~ The security screen ~~[[as in]]~~ of claim 1, wherein said upper section extends upwardly at a greater vertical angle than said lower rear section.

Claim 3. (Currently amended) ~~[[A]]~~ The security screen ~~[[as in]]~~ of claim 1, wherein said at least a ~~portion~~ portion of the upper and lower section side barriers overlap, said security screen further including ~~[[a]]~~ securing means to secure said overlapping side barriers to each other.

Claim 4. (Currently amended) ~~[[A]] The security screen as in any of the above claims of~~ claim 1, wherein said security screen is attached to the rear of said seat, ~~in a way that~~ whereby said rear panel makes contact with a rear surface of said seat.

Claim 5. (Currently amended) ~~[[A]] The security screen as in any of the above claims of~~ claim 1, wherein said security screen, when attached to said seat, does not restrict the movement of said seat.

Claim 6. (Currently amended) ~~[[A]] The security screen as in any of the above claims of~~ claim 1, wherein said upper rear section extends to just below the ceiling of said vehicle.

Claim 7. (Currently amended) ~~[[A]] The security screen as in any of the above claims of~~ claim 1, wherein said first attachment means includes a C-section member adapted to engage said headrest.

Claim 8. (Currently amended) ~~[[A]] The security screen~~ [[as in]] of claim 7, wherein said C-section member includes a tether adapted to secure said C-section member to said headrest.

Claim 9. (Currently amended) ~~[[A]] The security screen as in any of the above claims of~~ claim 1, wherein said security screen includes ~~[[a]] second attachment means adapted to engage~~ [[a]] said first frame of said seat, said first frame connecting said base and rear portions of said seat.

Claim 10. (Currently amended) ~~[[A]] The security screen as in any of the above claims of~~ claim 1, wherein said security screen includes ~~[[a]] third attachment means adapted to engage~~ [[a]] said second frame of said seat, said second frame being located below said seat.

Claim 11. (Currently amended) ~~[[A]] The security screen as in any of the above claims of~~ claim 1, wherein said first attachment means includes a hook and tape connection.

Claim 12. (Currently amended) ~~[[A]] The security screen as in any of the above claims~~
of claim 1, wherein said first attachment means includes a snap-fit connection.

Claim 13. (Currently amended) ~~[[A]] The security screen~~ ~~[[as in]]~~ of claim 1, wherein
said upper and lower rear side barriers extend different distances forward relative to a driver of
said vehicle.

Claim 14. (New) The security screen of claim 9, wherein said second attachment means
includes a hook and tape connection.

Claim 15. (New) The security screen of claim 9, wherein said second attachment means
includes a snap fit connection.

Claim 16. (New) The security screen of claim 10, wherein said third attachment means
includes a hook and tape connection.

Claim 17. (New) The security screen of claim 10, wherein said third attachment means
includes a snap fit connection.
